**goRag® Medium Duty All Purpose Airlaid Touchless Roll Wiper**

Blue, high-capacity wipers provide engineered for use with goRag® automatic wiper dispenser are the ideal wiper for light-duty oil and grease clean-up.

**ADD TO LIST**

**Item Description:**

goRag® medium duty all purpose wipers are made from airlaid bonded cellulose to deliver an exceptional cloth replacement with high capacity for tackling oil-based and grease clean-up tasks. This wiper material is a better wet wiper than DRC substrates and equal to DRC in wiping oil and grease. Soft airlaid paper with good bulk also makes this a popular choice for patient care in addition to machine and maintenance wiping tasks. These wipers are designed to be used in the goRag automatic wiper dispenser to deliver higher efficiency than cloth rags.

**Features & Benefits:**

- *Versatile*  
Ideal for machine & maintenance shops - cleans oil-based & grease products
- *Airlaid Paper*  
Thick, absorbent with excellent softness & capacity for extended use
- *Dispensed from goRag Automated Wiper Dispenser*  
Automatic dispensing provides a more efficient use of disposable wipers and therefore reduces the overall cost per wiper
